

LOVESONG IN HARVEST

Sunday 10th January 2016 - 6.30pm

Albert Halls Stirling

A setting of the biblical story of Ruth, for choir, soloists, orchestra and dance/drama, its themes could hardly be more timely for the year 2016:

...a refugee is shown kindness and enduring friendship

...a foreigner unexpectedly finds love and acceptance in her adoptive country

This is a touching account of how loving relationships overcome adversity and bring hope for the future.

Join Iain & Cora McDonald and friends drawn from local churches and the wider community in Forth Valley for this new production of music originally written for their wedding.

Special guest: Peter Lyne, author of Ruth - a love story that changed the world

Tickets £6 from Albert Halls box office: 01786 473544
